Celebrating *70 years of* LAURA ASHLEY

With an inspiring start up story built on upon entrepreneurial ambition, craft, creation and traditional values of quality and originality, the Laura Ashley story remains synonymous with beauty and design. As the Laura Ashley story reaches its 70th year, the extensive heritage and rich archive continue to inspire collections that celebrate nostalgia through current trends and modern designs.

In celebration of Laura Ashley's 70th anniversary, an eagerly anticipated relaunch is set to reintroduce the exquisite decorative fabric ranges back into the Australian and New Zealand markets. These thoughtfully curated selections are the fruit of a remarkable collaboration between Basford Brands and the talented Laura Ashley team in London. While staying true to the classic British charm that Laura Ashley is renowned for, the ranges have been developed for our unique Antipodean lifestyle, offering a fresh perspective for the first time.

PLAINS

Laura Ashley is synonymous with undeniably elegant patterns and designs and all things beautiful and decorative. The 7 new collections featured are no exception, with signature prints, sumptuous jacquards and delicate embroideries. As part of the collections, we have developed two coordinating plain fabrics to serve as a foundation, coloured to work across all collections, tying together the elements with their understated elegance.

Camerton

Camerton plain combines the soft, supple handfeel of a brushed chenille cloth with the durability of 30,000 martindale rubs, making it perfect for drapery and upholstery applications alike.

140cm 95% Poly/5% Linen 30,000 martindale

Newbury Stonewash

Newbury Stonewash sheer offers a sophisticated yarn-dyed linen sheer option, blending effortlessly with decorative designs. The tumbled stonewash finish creates a luxurious fullness to the drape across the 300cm continuous width.

Chinoiserie Collection

Unveiling the Laura Ashley Chinoiserie Collection, transporting you to a realm of enchantment, where ornate motifs blend harmoniously with classical styling and romantic colours.

This collection is a delightful fusion of artistry, featuring the hero print **Belvedere**, a traditional meandering design featuring an ornate peacock and butterflies, set amongst florals and branches, which is sure to surprise and delight.

Wisteria Garden is a painterly, elegant all-over wisteria floral that is available in both a linen print and a luxurious wide-width jacquard.

Featuring chinoiserie inspired florals and birds, **Eglantine Silhouette** combines the beauty of an English country garden with a touch of French provincial charm.

Pussy Willow is a classic Laura Ashley design, inspired by an antique wallpaper from the Laura Ashley archive. Reminiscent of the first days of early Spring, this Pussy Willow sprig design brings a touch of the outside in. Pussy Willow is embroidered on a 100% linen sheer base cloth to offer the ultimate in luxury interiors.

Not only perfect for curtains, but these fabrics also open the door to creativity, enabling stunning upholstery transformations.

Eclectic Heritage Collection

Introducing the captivating Laura Ashley Eclectic Heritage Collection, where diverse designs blend seamlessly with the craftsmanship of traditional artisans. Crafted with meticulous attention to detail, these versatile fabrics empower designers and homeowners to curate unique and eclectic interiors that resonate with wanderlust and a love for all things decorative.

Classically ornate, **Portia** is an intricate print with elements of Jacobean style. Inspired by a beautiful piece of antique fabric held within the Laura Ashley archive, this timeless print combines simplicity with natural glamour.

Sweet Alyssum features a quartet of dense potentilla-like sprigs with leaves and curving stems. This charming monoprint was inspired by a printed textile found in the Laura Ashley archive and has been printed on a heavily textured base cloth to highlight the natural beauty.

Dandelion Embroidery offers a vintage-inspired look from the Laura Ashley archive, featuring stylised stems of dandelions with scrolling leaves that have been intricately embroidered on to a linen base.

The designs tie together with **Shirting Stripe**, a timeless design that picks out the key colours of the collection, elevating them in the process.

Adain Palace is a grand yet simplistic design features majestic birds of paradise in a tonal watercolour style, printed on an ethereal sheer cloth to create a romantic feel.

Pastoral Elegance Collection

Introducing the Laura Ashley Pastoral Elegance Collection, a stunning tribute to the revered Arts and Crafts movement of the late 1800s. The collection takes you on a nostalgic journey to idyllic landscapes, where each design intricately depicts florals in the iconic Laura Ashley style. Inspired by countryside charm and pastoral influences, this collection captures the essence of nature's beauty.

Elegant and timeless, **Parterre** depicts trailing ogee stems carrying an abundance of flowers similar to wisteria. This floral print was inspired by an incredible hand painted piece of artwork from the Laura Ashley archive. With a soft hand painted look, Parterre brings a modern feel to a vintage style pattern.

Walwick is a tessellating floral pattern that pairs perfectly with the feature design, and offers a smaller scale accent.

Barley is an arts and craft inspired nature design features a stunning block work design that has been expertly woven in a jacquard quality.

Simple but striking, **Margam** is a small-scale design with a heritage feel. Inspired by arts and crafts, this embroidered pattern offers an artisan look for a modern country style home.

Romance Collection

Welcome to the Laura Ashley Romance Collection, a captivating tribute to the opulent interiors of historical French and Italian classical homes. Drawing inspiration from grand frescoes and intricate details found in these majestic dwellings, this collection exudes timeless luxury and elegance.

Featuring an exquisite fresco design **Apolline**. Timeless and elegant, this ornate damask print features curling acanthus and leaves that form the design around primula, primrose plants, roses and peony flower heads.

Abingdon Stripe features a trellis leaf and stripe design with delicate flower bouquets inside, woven as a luxurious jacquard panel stripe.

The Romance collection also showcases an elegantly detailed filcoupe sheer design, reminiscent of delicate lacework that graced the windows of historic palaces. **Silchester** is a beautiful soft damask that features subtle textured outlines of leaves in a softly repeating ogee.

Toile Du Jouy Collection

Introducing the Laura Ashley Toile du Jouy Collection, a timeless homage to the classical French pattern with a rich and storied history. The elegant collection transports you to the enchanting landscapes of 18th-century France, where pastoral scenes and ornate motifs come to life.

Depicting a classic country scene the **Toile** design is taken from an antique print found in the Laura Ashley archive.

Paired with **Aria**, a romantic small-scale floral design that was originally featured on a vintage quilt sample found in the Laura Ashley archive. Featuring stylised floral stems like roses, carnations and honeysuckle mixed with primula, that climb the design with feathered leaves shooting off, it adds a touch of romance and serenity.

The understated broad stripe **Tiverton Stripe** conveys a casual country style, and the clean ticking-inspired **Farnworth Stripe** offers effortless charm.

Printed on luxurious cotton sateen, these fabrics epitomise harmonious charm, and their versatility extends to upholstery applications.

Botanical Sheers Collection

At the heart of the Botanical Collection are two captivating designs printed on 100% linen sheer basecloths. These sheer fabrics not only bring a touch of elegance to your windows but also pack a decorative punch, diffusing soft light and creating a dreamy ambiance. The sheer base allows the vibrant floral patterns to come alive, infusing your space with the signature Laura Ashley bloom.

Mathilde Mural is a full 300cm vertical repeat, inspired by Dutch Masters paintings. The artwork has been hand painted and then digitally printed on linen to showcase the artisanal quality. The design offers a combination of large and small scale florals, overlapping and intertwined to create the look of a country garden in full bloom. This striking pattern has the ability to bring drama to any room.

Pointon Fields is a contemporary border print with an exuberant, hand-painted watercolour floral. Featuring highly stylized wildflowers, this pretty design includes intertwining leaves and foliage that fades into a soft ombre at the top of the curtain.

These beautiful designs will transform your window into a stunning work of art.
